

## MISSION STATEMENT

*Commonwealth Cooperative Bank will be a safe and sound, community-oriented Bank primarily serving the financial needs of individuals, families, and businesses in Boston and surrounding neighborhoods as well as the communities within our market area, including the financial needs of state employees. The Bank will fulfill its corporate responsibilities to its depositors and will treat customers equitably, provide quality service, and maintain a high level of integrity, social awareness, and community involvement. The Bank will also provide employees with fair compensation, good working conditions, and career development opportunities.*
